

2019 Work Team Trip to Kenya

February 27 – March 13, 2019

Join us for our PFP short term Work Team to Kenya in February - March of 2019!

As a team member, you will meet delightful Kenyan women daring to change their lives. You will work alongside them in “Harambee” (Swahili for “pulling together”) and get to know them, help them construct platforms which will be the foundation for their water tanks, and learn how they hope to “catch the rain.”

This trip will provide a great opportunity to meet some simply amazing and very warm and welcoming Kenyan women who will change your life for the better! Our presence will encourage the women of the Kilome region of women’s groups through a ministry of presence and prayer. You will be amazed that in the encouragement, you receive more than you give.

We will work as co-laborers with them in solving the acute problem of lack of clean water by:

- a. Constructing platforms for the water tanks earned by the women
- b. Installing water tanks and celebrating over the finished product
- c. Praying over the water tanks for God’s blessing of abundant rain!

At the end of the week, we will have a gathering with the women of all the groups in the Kilome region to celebrate our teamwork and all that God has accomplished during our week together!

What trip to Africa would be complete without a safari! When the work is over, debrief and prepare to re-enter your life at home while enjoying the wild animals of Kenya!

Are you interested? Save these dates:

February 27 – March 13, 2019

Estimated cost (based on 8 participants) -- \$2,895 + cost of airfare

If you'd like to reserve your spot on the 2019 Work Team, please make a \$500 deposit (which will be non-refundable once trip is confirmed) in one of the following ways:

- Send a check to PFP, with 'Work Team Deposit' written in the memo (302 N. 78th St. Seattle, WA 98103), or

- Go online to our donation page:

<https://pathfrompoverty-org.presencehost.net/get-involved/donate/> and in the note section write 'Work Team Deposit'.
